(909) 383-3094

**Mail:** Send the completed form to:  
San Bernardino County  
Department of Public Health  
Laboratory  
799 E. Rialto Avenue  
San Bernardino, CA 92415-0011

## DIRECTIONS

The building is at Frederick & Dracaea. The directions are E/B Hwy 60 to the Frederick/Pigeon Pass off ramp. Turn right or south. Dracaea is approximately 1 mile south of the freeway exit. Turn left or eastbound, travel approximately 1 block, building is on your right. Park in first driveway as indicated by "Zebra" sign. Classroom 1 is directly in front of you as indicated by the door sign.

## Taming the Wild Zebra:

County of San Bernardino  
Department of Public Health

**Public Health Preparedness  
and Response Program**

## Joint Agency Response to Bioterrorism Incidents

**July 20 & 21, 2006**

**Moreno Valley Unified School  
District Registration Center**

23301 Dracaea Ave  
Moreno Valley, CA 92553

### Sponsored by

Microbial Disease Laboratory  
California Department of Health Services  
and San Bernardino County Department of  
Public Health Laboratory

## DESCRIPTION

Learn to pick out clandestine biological laboratories, access the dangers medical aid patients present to you, and understand how to safely sample, document, package, and transport bio terrorism specimens. Attend this “hands-on” workshop and earn a year’s worth of CEUs while you gain a wealth of information.

## OBJECTIVES

At the conclusion of the workshop, participants will be able to:

- ✓ Integrate local emergency response agencies’ knowledge, roles and resources.
- ✓ Recognize the four major types of bio-agents and their sources.
- ✓ Identify and sample clandestine biological laboratories.
- ✓ Understand how select agents work and the dangers they present
- ✓ Know the appropriate PPE and decontamination methods to respond to both hazardous materials incidents and medical aid call.

## AUDIENCE

This Train-the-Trainers workshop is designed for emergency response agency chief officers, supervisors, and lead trainers. Such agencies include: dispatch centers, local law enforcement (*Sheriff, Police, CHP, Local FBI*), local fire/rescue companies, HazMat teams, EMS, public health laboratory, and environmental health staff.

## AGENDA - Day 1

- 8:00 Sign In
- 8:15 Introduction
- 8:45 Pre-test
- 9:00 Module 1: Overview
- 10:00 Break
- 10:15 Exercise/Seminar: Discussion on Local Response Plan
- 11:15 Table-top based on local plan (time permitting).
- 12:00 Lunch
- 1:00 Module 2: Meeting the Agents
- 2:00 Exercise 2: Identifying Clandestine Biological Laboratories & Sampling Them
- 3:00 Break
- 3:15 Module 3: Understanding Hazards
- 4:00 Exercise 3: Disease Spread
- 5:00 Adjourn

Shown at [www.sportbikes.dha.org](http://www.sportbikes.dha.org)

## AGENDA - Day 2

- 8:00 Module 4: Protecting Yourself and Others
- 8:45 Exercise 4: Aseptic Techniques (sampling teams)
- 9:30 Module 5: Select Agents I
- 10:00 Break
- 10:15 Module 5: Select Agents II
- 11:15 Exercise 5: Case Studies
- 12:30 Lunch
- 1:30 Module 6: Responding
- 2:00 Exercises 6a: Sampling, Packaging and Transporting
- 3:00 Break
- 3:15 Exercise 6b: Field Testing
- 4:30 Questions, Post Test, & Wrap-up
- 5:00 Finish

## CONTINUING EDUCATION

Continuing Education credit will be provided for various professions based on 16 hours of instruction

CLS – California Clinical Laboratory Science: The California Department of Health, Microbial Disease Laboratory is a CA CLS Accrediting Agency (#0197)

Dispatch and Law Enforcement: POST approved

The California EMS CE Provider, # 62-0001, has approved this course for 15 hours of continuing education.

Provider approved by the California Board of Registered Nursing, Provider Number CEP- 14226, for 15 contact hours, for two days workshop.
